## About Revoluton Arts:

Revoluton Arts is a Luton-based arts organisation. We work with artists and communities – across a range of art forms and disciplines – to produce creative work that promotes positive futures for people and place. We provide support, resource, and mentoring to artists and emerging creative practitioners. We facilitate pathways for people to engage with creativity, as professional practitioners, participants, and as audience members.

**We believe the spirit of Luton encapsulates activism, warmth, and generosity.  
The spirit of our work is captured in our name – Revoluton.**

We are an independent arts organisation, initially established in 2015 as Luton's Creative People and Places (CPP) project funded by Arts Council England (ACE). We are based at Marsh House in Leagrave. In 2020, Revoluton Arts grew to become an independent organisation and in 2024 we gained charity status. We remain the lead for Luton's CPP.

## What We Do

Our work is deeply rooted in Luton and our creative programme is co-created with communities. We design and produce creative and cultural programmes that are resonant and relevant to local audiences. We are committed to communities taking the lead. We work collaboratively to co-create events and programmes that inspire and support engagement with creativity in all its forms – from Kashmiri textile design in schools through to large scale outdoor arts events.

## Our Vision, Mission and Values

**Our vision** is for communities to connect through creativity, locally and globally, uniting to define their positive futures.

**Our mission** is to unite communities and creatives as the collective catalyst for change. We locate Luton in the world. We do this by connecting the people of Luton with standout creative practitioners – locally and beyond – to create cultural activities that bring positive change for people and place.

**Our values** are:

- **Agency** (affirming the voice, choice, and power of marginalised communities to bring positive change)
- **Belonging** (celebrating place, and creating a sense of acceptance and freedom)
- **Connection** (uniting people and forming partnerships towards a common purpose)
- **Creativity** (nurturing talent, promoting everyday creativity, and producing creative work made in Luton)
- **Opportunity** (providing and promoting access to arts and creativity for leisure, learning, and livelihood)

### **About the commission**

Through this commission, Revoluton Arts will appoint a Revoluton Associate based in Luton to produce a creative project that engages Luton residents. The commissioned artist will follow previous Bury Park residencies, including Sonia Chowdhury's [\*Made in Luton\*](#), and [\*Roti Cloths\*](#) by Shabeena Parveen and Museum of Stories. The Associate will also be supported by the wider Revoluton Arts team and will be part of a cohort of Associates based in other parts of Luton.

We are inviting applications from artists, creative practitioners and/or producers, based in Luton. Applicants should be motivated to connect with the community and be open to working collaboratively with local residents, and community partners.
